Please Read and Check Off the Items Below

- I understand that to qualify for a rebate, a Resource Conservation Representative must receive this application and perform a landscape inspection.
- I understand that only plants on the "Outstanding Landscape Plants for Comal County" list qualify as approved plants for a rebate or those submitted and approved by NBU.
- I do have an irrigation system     I do NOT have an irrigation system
- I agree to allow NBU to perform an irrigation inspection. My irrigation system must meet the requirements of the New Braunfels Water Conservation and Drought Management Plan Ordinance (Ordinance 2006-33).
- I understand NBU may review my H2O bills and inspect my landscape now and within the next 24 months for program evaluation.
- I agree to maintain my landscape in a water efficient manner, complying with all local ordinances regarding the use of water.
- I understand NBU reserves the right to deny any rebate request if the applicant does not conform to the program qualifications, procedures and specifications, with no exceptions.
- I do not hold NBU responsible for the condition of my landscape or plumbing on my side of the meter now or in the future.
