

**New Braunfels Utilities Board of Trustees
Special Board Meeting**

Agenda

8:30 am – October 5, 2018

Headwaters at the Comal, 333 Klingemann, New Braunfels, Texas

I. Facilities Tour.

An informational tour of NBU facilities located at Headwaters at the Comal (333 Klingemann), McKenzie Reclamation Facility (400 Elley Lane), Weltner Sub-Station (1639 Weltner Road), Aquifer Storage & Recovery (ASR) Project (1439 Saur Lane), Gruene Surface Water Treatment Plant (1493 Gruene Road), Gruene Reclamation Facility (1322 Gruene Loop 337), and Trinity Well Field (3295 Westpointe) will be taken by the members of the New Braunfels Utilities Board of Trustees. The tour will depart from the Headwaters at the Comal at 333 Klingemann, New Braunfels, Texas. Members of the Board of Trustees may travel together in vehicles to such facilities and will receive information from and ask questions of NBU staff regarding such facilities. No formal action or deliberations will take place. The Board of Trustees will return to the Headwaters at the Comal at the conclusion of the tour.

II. Adjourn.

IAN TAYLOR
CHIEF EXECUTIVE OFFICER
