NEW BRAUNFELS UTILITIES

Terms and Conditions

Customer, acting through its authorized agent, applies to New Braunfels Utilities (NBU) for utility service at the specified service address and agrees that such service shall be supplied and used in accordance with NBU's service terms and conditions. Utility service will be initiated from the date of the initial connection and will continue pursuant to the New Braunfels Utilities Service Conditions Policy until the customer gives proper notice, of at least one NBU business day of discontinuance.

Payments

Customer, acting through its authorized agent, agrees to pay for the class of service supplied according to the applicable NBU Rate Schedule and as required by NBU service terms and conditions. Service is subject to disconnection and additional fees, if not paid by the due date specified on the bill. New Braunfels Utilities may transfer final balances to an active account, if in its judgment it is prudent to do so.

Post-dated checks are not accepted. Payments made after the due date specified on the bill will result in a late penalty. Late penalty may adversely affect the Customer's NBU Satisfactory Credit History and deposit conditions.

All payment options are listed on the NBU website, nbutexas.com.

Use of Contact Information in Communications

New Braunfels Utilities may communicate with its Customers by all means of provided contact information, including but not limited to phone, text, email, etc. If a Customer has provided a mobile phone number for calls or texts, the Customer's standard text and data rates shall apply. NBU may utilize an automated dialing system to provide informational, educational, and/or emergent messages. By providing the contact information, the Customer consents to NBU's uses as described here. An NBU Customer may opt out of Customer notifications at their discretion by contacting NBU Customer Service.

SIGNATURE AND IDENTIFICATION INFORMATION OF AUTHORIZED AGENT REQUIRED.

Must be signed by the authorized agent of the business entity. Applicant/Representative shall provide Driver's License, title in the business organization, and copy of Tax Identification number if applicable. Verification of each may be required.
