Read and initial items below

_____ I understand this rebate is available to active NBU residential electric customers only.

_____ I understand all rebates and supporting documents must be submitted within one year of the work being performed.

_____ I verify all replaced exit signs were incandescent or fluorescent lamped, and were replaced with LED lamped equipment.

_____ I understand replaced or retrofitted exit signs must be LED lamped and wattage cannot exceed five watts (total for single or double faced signs).

_____ I understand equipment replaced must be Underwriters' Laboratories (UL) approved.

_____ I agree to dispose of ballasts containing PCB's in accordance with Federal, State, and local regulations, including compliance with Environmental Protection Agency guidelines and the Toxic Substances Control Act.

_____ I understand the manufacturer's installation procedures and local city codes will be followed. The installation location must provide maximum benefit of the selected equipment.

_____ I understand contractors invoice/receipt must include documentation for all requirements stated above.

_____ I understand NBU reserves the right to deny any rebate request if the applicant does not conform to the program qualifications, procedures and specifications; no exceptions. New Braunfels Utilities reserves the right to terminate this program at any time and only NBU approved applications are eligible for payment under this rebate program.
