

TIC-TAC-TOE

Using the game pieces from the previous page, challenge your parents, siblings, and friends to a game of tic-tac-toe! Choose either Bucky or the Sun as your team mascot. The player who is the first to win two matches is the champion!

Rules of the Game:

1. The first player chooses a square in which to place their mascot piece.
2. The second player places their mascot in a square.
3. Whoever gets three pieces in a row, either left - right, up - down, or diagonally, wins the match!
4. Play again. This time let the other player start first. Have fun!
